RE: Pre-License

Lorraine Marble contacted me today in response to Don Shaff's letter of 5/31/91 (attached). She told me that the reason hers is the only signature on the Pre-License is because she and Geoffrey are divorced.

She also explained the address difference, stating that the Hazelton address is where (his) office is. She gave me her correct home address and home telephone, which I entered onto her claim.

CLAIMANT'S NAME: Louise MorseDATE: 8/7/91COUNTY: Jerome, Co.EMPLOYEE: JDE

Divorce Decree describes Louise Morse as owning the farm.
Legal description matches Pierce & claim.

MICROFILMED

III.

The defendant is not now, nor has he been during the past twelve (12) months, a member of any branch of the Armed Forces of the United States of America.

IV.

There are no children born as issue of this marriage who are presently under the age of 18 years.

V.

In approximately March of 1988, the defendant left the plaintiff without advising her of his whereabouts and left behind him numerous obligations, many of which the plaintiff has had to assume and pay. Further, the defendant has not cohabited with plaintiff nor been in contact with her in the marriage since that time. He has left her without support or aid in obtaining the necessities of life, even though it is believed he is working and could have provided these things to her. The grounds for this divorce are willful desertion, pursuant to Idaho Code Section 32-606 and willful neglect, pursuant to Idaho Code Section 32-607.

VI.

During their marriage, the parties have acquired certain items of community property. Due to the difficulties facing the plaintiff as a result of the desertion and neglect of the defendant, the community property should be divided in that all community property shall be awarded to the plaintiff. The community property includes the farm more fully described as follows:

The South Half of the Southwest Quarter (S1/2 SW1/4) of Section 21, and the Northwest Quarter of the Northwest Quarter (NW1/4 NW1/4) of Section 28, all in Township 8 South, Range 18 East of the Boise Meridian, together with 110 shares of capital stock of the North Side Canal Co., Ltd., more commonly known as 826 East 100 South, Jerome, County of Jerome, State of Idaho.

RE: Decreed Water Rights 36-07336 & 36-11358

Dear Ms. Marble;

A man came into our office today claiming to be your husband Geoffrey Marble. Our records show that you were divorced several years ago, however. He told me that your farm is being sold to a neighbor except for about 8 acres around the buildings that would be retained. Right 36-11358 covers the domestic well and two homes; a printout of this right is enclosed, along with a copy of a letter that I sent to Art Brown on this matter.

With regard to the irrigation right, it allows 87 acres of your 120 acres to be watered from your deep well. The land around the buildings is not covered by this right, and I did not find any other irrigation rights in your name. Geoffrey said that the land around the buildings was being watered, which appears to constitute an illegal expansion of your water right. A printout of this right is enclosed, as is a map showing what can be legally irrigated.

If you have questions on these matters, feel free to contact me.

Regards,

James E. Stanton
Sr. Water Resource Agent
