Subject: Claim Number Assigned - 86-12109: Motion for Determination of deferred de minimis Domestic and Stock Use
Date: Friday, April 16, 2021 3:26:00 PM

Dear Alane & Shayne Watkins,

On April 15th, IDWR received a copy of a **Motion for Determination of Deferred *de minimis* Domestic and Stock Water Use** along with a copy of the claim. The claim didn't include an ID number. Your claim number is **86-12109**.

Please use this number in future inquires or correspondence you may have with IDWR or the SRBA court. You will also need to reference this number when you publish a Notice of Pendency and Purpose of the Motion once per week for no less than three (3) weeks in a newspaper of general circulation in the county in which the point of diversion is located as required by the [Order Governing Procedures of Adjudication of Deferred De minimis Domestic and Stock Water Claims](#).

The next step in the [process](#) is to publish notice of the claim and then submit a copy of the Affidavit of Publication to the court.

Feel free to give me a call if you have questions.

Respectfully
