RE: Ownership of Palouse River Basin Adjudication (PRBA) Water Right Claim No. 87-10928

Dear Property Owner,

Our office has been advised that you may be the new owner of Latah County Parcel Number RP37N04W054355 which includes the water right claim referenced above.

We are in the process of recommending claims that have been filed in the PRBA, and per data we have reviewed, it appears that water right claim 87-10928 is appurtenant to the property you own. Before we can modify our records to reflect your ownership of this claim, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents showing your ownership. A copy of the recorded, signed and notarized warranty deed works best for this purpose. Please follow the instructions included with this form and return it to our office with all the required information.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,

*Sammy Allen (for Dawn Lenon)*
