Δ of owner

Doug,

On July 9 I represented the Dpt in a number of hearings in Basin 36. These hearing resulted in several things for the Dpt to do. I forwarded them on to Rox and she suggested that the following issues were best taken care of by you guys down there since that's where the files are.

1. 36-02315A-E and 07399 Harmans

These folks filed a motion to set aside the partial decrees on the basis that they did not reflect an approved transfer. This is true and the court granted the motion to set aside. I told them that we would forward corrected partials and the court could issue amended partials. There is also an issue of change of ownership.. They want the name changed from Idaho Youth Ranch and Harman Partnerships to individual Harmans. A change of notice of ownership was supposedly filed. If not let me know so I can track down the info the court has on the change and contact the claimants if necessary.

2. 36-02524 and 36-07608 McFarland

Same exact situation as above except the name change is to be from Ambrose to McFarland.

Call if you have any questions. John

PS: How is A&B coming? What do you make of Ling's filings claiming reuse of waste water as the means of getting the beneficial use rights?
