RE: Water Rights in Reporting Area 3, Basin 36
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources supplemental recommendations for your water right(s) in basin 36 (the area north of the Snake River from near Lake Walcott on the east to near Hagerman on the west). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended right(s) in your area.

In response to the Idaho Supreme Court's decision in Basin-wide Issue 5 after most water rights in Basin 36 had been decreed, the SRBA Court requested me to file supplemental reports for Basin 36 regarding the period of use for irrigation water uses and general provisions applying to all water rights in Basin 36. The enclosed documents fulfill that request. The general provision enclosed is in addition to those already adopted by the Court.

Note you have just over 30 days in which to review the water rights of other claimants and to file any objection to our recommendations. Information on the other water rights can be found at the county courthouses in Hailey, Arco, Jerome, Rupert, Gooding, and Shoshone and at all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the SRBA Court does not receive an objection to our recommendation from you and no other party objects to your water right, your water right will be decreed later this year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director

**NOTICE OF FILING SUPPLEMENTAL REPORTS
FOR REPORTING AREA 3 (IDWR BASIN 36) REGARDING
REVISION OF THE FOLLOWING:**

- ▶ **Period of Use (For Irrigation Water Uses)**
- ▶ **Conjunctive Management General Provision**

EXPLANATION

In response to the Idaho Supreme Court's decision in Basin-wide Issue 5, the Snake River Basin Adjudication (SRBA) District Court requested the Director of the Idaho Department of Water Resources (IDWR) to file supplemental reports for Basin 36 regarding the period of use for irrigation water uses and the conjunctive management general provision. This notice is to inform you that IDWR has filed those reports with the SRBA District Court.

Irrigation Season of Use

The supplemental report on irrigation season of use changes IDWR's recommendation for the irrigation season of use for irrigation water rights in Basin 36. Even water rights that have received partial decrees are receiving a new irrigation season recommendation because the Idaho Supreme Court determined that the use of the term "irrigation season" is not acceptable and specific dates must be set. The irrigation season of use recommendations only affect the season of use, and no other elements of the irrigation water rights.

If you claimed an irrigation water right a description of the Director's irrigation season of use recommendation for your claim is attached to this Notice. You need to carefully review the new season of use recommended for your irrigation right. The complete Irrigation Season of Use Supplemental Report for Basin 36 is available at the SRBA courthouse in Twin Falls and the locations listed on the third page of this notice. Copies of the report can be made, but you may be charged for copying and mailing.

Conjunctive Management General Provisions

Additionally, the Director of IDWR has filed with the SRBA District Court his supplemental report on conjunctive management for Basin 36. This Report is the Director's recommendation for the conjunctive management general provision that should be decreed for Basin 36. Attached to this Notice is a complete copy of the conjunctive management general provision the Director recommends for Basin 36.

INSTRUCTIONS FOR REVIEWING THESE REPORTS

You are free to agree or disagree with the Director's recommendations. If you agree with the Director's recommendations you do not need to do anything, pending further notice as described below. If you disagree with the Director's recommendations, you need to file an objection as described below. **You may only object to the Director's recommendations on irrigation season of use and conjunctive management.** You may not object to any other elements of your water right under this notice unless you have evidence that the irrigation season of use or conjunctive management recommendations affect other elements of your right.

INSTRUCTIONS FOR TAKING AN ISSUE TO COURT

What do I do if I disagree with a conjunctive management provision or a season of use recommendation?

If you disagree with a conjunctive management provision, or the season of use recommendation for your water right or anyone else's water right, and want to be heard in court, file an objection with the SRBA Court. Objections must be made on the standard objection form attached to this Notice. Copies are available from any IDWR office or from the SRBA Court. You may also download a copy of the objection form from the SRBA Web Site at www.srba.state.id.us.

Your objection to IDWR's conjunctive management provision, or the irrigation season of use for the rights listed above must be **received** by the SRBA Court on or before **September 10, 1999**.

What do I do if someone else objects to a conjunctive management provision or a season of use recommendation?

If someone files an objection to a conjunctive management provision, or the season of use recommendation for your water right or anyone else's water right, you may file a response to that objection. Responses to objections must be made on the standard response form available from any IDWR office or from the SRBA Court. Your response must be **received** by the SRBA Court on or before **November 12, 1999**.

What happens if there are no objections to a recommendation?

After the deadline for filing objections, the SRBA Court will hear the uncontested recommendations on **November 16, 1999**, at **1:30 P.M.** at the **SRBA Courthouse**. Any part of the report to which no objections are filed may be decreed by the district court.

How will I know about the proceedings on water right recommendations to which objections were filed?

A notice will be mailed to you for court dates on your water right or for those where you filed an objection or a response. You will not receive notice of court dates on any other water right recommendations. Additional information regarding the SRBA can be found on the SRBA Web Site at www.srba.state.id.us.

Note: The SRBA Court publishes a monthly Docket Sheet listing all objections and responses filed. It does not list court dates for individual water right cases, but provides general information helpful to all participants in the SRBA. The Docket Sheet is available at your county courthouse and all IDWR offices, or you may subscribe by contacting the SRBA Court or IDWR. The annual subscription fee is \$7.50. The Docket Sheet is also available on the SRBA Web Site at www.srba.state.id.us.

ADDITIONAL INFORMATION

If you have questions about the SRBA, public information brochures are available at any IDWR office. You are also welcome to call IDWR at any of its offices or the SRBA Court. You may also want to consider contacting an attorney to assist you.
