RE: Rejection of Claim

Dear Claimants:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) water right claim. We are rejecting and returning your adjudication claim for the following reason.

The claim you submitted for domestic use of groundwater (well) requires a filing fee in the amount of **\$25.00**. Section 42-1414, Idaho Code, provides the department shall not accept a notice of claim unless the proper filing fee is submitted concurrently. As the required fee was not included with the claim form, we are rejecting and returning the claim to you. The rejected claim may be resubmitted along with the appropriate filing fee of \$25.00.

Please contact me if you have any questions regarding this matter. I can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
Northern Region
