MEMORANDUM

TO: Files 36-02600 & 36-07435

FROM: Pam Skaggs^{OS}/State Office

SUBJECT: Transfer 4855

DATE: July 12, 1999

Transfer 4855 changes the point of diversion and place of use under a portion of Rights 36-02600 and 36-07435, splitting each right into Parts A and B. The transfer was protested and an agreement reached among the parties.

This transfer is an effort to legalize irrigation of 38.2 acres that have been developed in excess of Right 36-07108. The applicant has acquired portions of these rights through a temporary water right transfer agreement effective until the end of the 2002 irrigation season. The rights will then automatically return to their original use prior to the transfer, unless a new agreement has been filed with the department authorizing continued use by the applicant.

Recent SRBA recommendations of these transferred rights identify two other rights used on the same common system, 36-07046 and 36-11412. Conditions have been recommended by region staff to address the reduction in irrigation under all four (4) rights associated with the 38.2 acres removed from irrigation use.

Recommended conditions include protest agreement, measuring & annual reporting, irrigation overlap, permissible place of use limits, combined right limits of both the transferred and unchanged portions of these rights, specific acres removed from irrigation, temporary approval term and standard transfer conditions.

FILE A36-02669

RE: USE OF WELLS + POSSIBLE INTERCONNECTIONS

DATE 6-11-92

NAME OF PARTY

(JERRY GILLETTE) Rex Osterhout (employee)

I tried to contact Jerry Gillette but was unable to get in touch this day.

I Drove to the shop area on 750 W. and found Rex Osterhout, an employee. I asked him if he knew of the underground mainline system. He explained the 2 wells in S. 13 and the 1 in S. 12 were tied but all the others were separate. We looked at the map in the file and he confirmed these same wells.

I questioned the use of A36-7046 on tract NENE, S. 14 and he told me that is correct, They ran the mainline straight west from the pump.

I left a card & a message to pass on to Jerry Gillette.
