RE Change in Water Right Ownership 87-11097

Received a phone call this morning from Mrs. Ahles regarding the change of ownership I sent her for a portion of the above water right. She advised me that a large portion of the land in that area was previously owned by her grandfather and has been split and sold. Mrs. Ahles also advised the water from the well on Mr. Dettwiler's property was never piped across the road to the property she now owns, so there is no stock water supplied from that source on Mr. & Mrs. Ahles property.
