OWNERSHIP MEMO

I spoke with both the original claimant Gina Cretser and David Shauvin regarding the property pertinent to this claim. At the time of filing, the property used to be owned by Gina Cretser and Barry Johnson, who are the original claimants. The property was then sold to David Shauvin. I spoke to Mr. Shauvin on multiple occasions regarding amending the claim and changing the ownership name.

I received a completed amended claim, and documents supporting the change in ownership. However, I did not receive a Change in Ownership Form. I called Mr. Shauvin and sent him a letter telling him he needs to submit a Change in Ownership Form, or else I cannot amend the claim or change the name on the claim.

Based on general discussions within the adjudication staff regarding ownership issues, and because I did not receive further correspondence from Mr. Shauvin, I recommended the claim as claimed.
