RE: Amended Notice of Claim 87-11577

Dear Ms. O'Malley,

Per our telephone conversation on 4/26/2021, I am enclosing an amended claim where I updated the claimed diversion rate from 0.04 cubic feet per second (cfs) to 0.05 cfs. Note that 1 cfs = 448 gallons per minute so 24 gallons per minute would convert to 0.05 cfs.

$$24 \text{ gpm} / 448.83 \text{ gpm} = 0.05 \text{ cfs}$$

I also updated the claimed priority date to be consistent with the well driller report showing the completed date on 11-5-1999.

Please review the claim and initial any changes you wish to make. When satisfied, sign the claim and return it to this office. You can use the postage paid envelope that came in the packet with the preliminary recommendations.

On the top of the pre-paid envelope, you can add, "Attn: Craig Saxton", to make sure the amended claim gets to me.

Please feel free to call if you have questions.

Respectfully,

A handwritten signature in blue ink that reads "Craig L. Saxton". The signature is written in a cursive, flowing style.

Craig L. Saxton
