1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

We drilled our own well with our own driller and I feel the period of use should not have a limit on time. It should be based on how long the property is owned by us.

2. Describe the changes you wish to make in the proposed recommendation:

The period of use should be indefinite as long as Richard L. Bostrom or Jeanie P. Moore - Bostrom own the property.

3. Give a brief explanation as to why you disagree with these portions:

I disagree because period of use is only till 12/31 that is not what I agreed on to start with. we feel our well and water is ours, bought and paid for. Forever.

☒ I AGREE with this proposed recommendation: no changes need to be made.
