RE: Notice of Change in Water Right Ownership (Water Right No. 87-11886)

Dear Ms. Wilson,

I received your correspondence regarding Steven Clyde/95 Brick House LLC for claim number 87-11886. I apologize, I didn't realize Mr. Clyde was the sole member of 95 Brick House LLC or I would have sent the mailing to you.

Mr. Clyde does not have to change the ownership into the LLC if doesn't want to. The benefit of changing it into the LLC is purely for the next owner of the property to make it easier for them to do the change of ownership into their name. If they purchase or inherit the property, it a cleaner chain of ownership for when they change it. Typically, we like to keep the same name on the water rights that is on the property.

Please note, according to the Secretary of State website, 95 Brick House LLC is listed as Inactive-Dissolved as of 8/5/2020. I will accept your letter as Mr. Clyde's request to leave the water right in his name rather than changing it to the LLC. No further action is necessary.

If you have any questions, please do not hesitate to contact our office during business hours at 208-762-2800.

Sincerely,

A handwritten signature in blue ink that reads "Dawn R. Lenon".
