RE: Palouse River Basin Adjudication (PRBA) Claim No. 87-11975

Dear Steven or Ellen :

Idaho Department of Water Resources (IDWR) is planning to conduct water right field examinations in your area within the next month. The examination is required for the Department to verify the *elements of your claim and prepare an accurate recommendation to the PRBA Court. For this reason, a person familiar with your water system should be available to attend the exam.

Please contact me as soon as possible to schedule a field exam. My phone number is listed below.

Sincerely,

Linda Werner
