1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source): The only thing we found that needs to be changed is with the Parcel No. It is missing the "A" at the end.
2. Describe the changes you wish to make in the proposed recommendation: The "A" needs to be put back at the end of the Parcel No. like we had it on the form we submitted to you dated June 7, 2019.
3. Give a brief explanation as to why you disagree with these portions: All documents we have received from the Latah County Courthouse about this Parcel of our property shows the "A" with the Parcel No. It should be RP39N05W102570A.

 I AGREE with this proposed recommendation: no changes need to be made.
