1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Explanatory Material - Point of Diversion location

2. Describe the changes you wish to make in the proposed recommendation:

While the proposed recommendation correctly identifies the 2 parcels as the place of use, we believe the point of diversion (the well) is actually in parcel # RPRP41N05W317061 rather than RPH0N05W068441.

3. Give a brief explanation as to why you disagree with these portions:

The well is located in the same parcel as the house, which we understand to be parcel # RPRP41N05W317061.

☒ I AGREE with this proposed recommendation: no changes need to be made.
