RE: Coeur d'Alene-Spokane River Basin (CSRBA) claim 95-11691

Dear Mr. Seurync,

The Idaho Department of Water Resources (IDWR) was recently contacted by the CSRBA court to inquire if we had received an amended claim correcting the season of use for claim 95-11691. IDWR was informed that you were contacted by the CSRBA court and as a result you were going to contact IDWR to seek an amended claim to change the claimed season of use from 1/31 thru 12/31 to 1/1 thru 12/31.

IDWR does not have record of receiving an amended claim as of this date. For your convenience, I am enclosing an Amended Claim where the Season of use has been updated. If you still wish to correct the season of use, then review the claim, initial any changes you wish to make, sign the claim and return it to IDWR by **May 20, 2021**. If an amended claim is not received, the court will most likely move forward and decree your water right with a 1/31 thru 12/31 season of use.

This is the 2nd and final correspondence on this subject.

Please feel free to contact myself or the CSRBA court with any questions.

Respectfully,
