Subject: Notice of Error Response for Water Right 87-10473

Hello James or Vicki,

I'm writing in regard to the Notice of Error reply relating to the parcel number for the property at 3407 Highway 6. Your concern was that the parcel number was shown incorrectly in that parcel number RP01650009001 should end with an A rather than a C, as shown on your claim recommendation.

I've enclosed a copy of a map which shows the corresponding parcel number for your property. The addition of an A, B or C will indicate that the parcel has been split once or combined once, than it becomes the letter A, a second split or combination results in the letter B, etc.

Consequently, we'll keep the parcel number as shown with the letter C. Please note that the addition of the parcel number on the recommendation is for our purposes only, to help us ensure that we've got the correct parcel; it will not be shown on the actual decree.

I hope this addresses your concern. Please contact me if you any additional questions.

Sincerely,

Linda Werner
