Dear Claimants:

Thank you for notifying us that you are the new owner of the rights referenced above. Before we can modify our records to reflect your ownership, we require the enclosed Notice of Change of Water Right Ownership form be submitted.

Please note Item #8 in the instructions of the ownership change form. Four claims are still pending in the SRBA; as such, there is no fee to change the ownership on those four. However, water right #36-14597 was partially-decreed in 1996 and therefore requires the \$25.00 fee.

Please call me toll-free at 1-800/451-4129 if you have any questions.

Sincerely,

Sally Sherman

licensed right with a 100+ acre expansion right.

ISSUE: expansion right recommended on 6 acres not owned by Kohnstopp Farm investment. No objection filed. ~~Kohnstopp~~ as a partnership apparently does not exist at this date.

The 6 acres per Jerome Assessor (Saprina) is owned by Richard Foote.

POSSIBLE SOLUTION:

1. Benson files a motion to file a late objection.
2. Accompanying the motion is a SF5 with Benson & Foote's signatures indicating that the 6 acres in question are not & haven't been irrigated for a significant period of time (possible Pre 87.)

The net effect is that 6 acres will be removed from 14595B & the P/U for Both claims reduced by the same 6 acres. No Change in diversion rate.

RE: CHANGE OF OWNERSHIP FOR 36-07591D & 36-14595A

Dear Sir

In reviewing the documentation for the change of ownership for the two claims listed above, I found that there is a conflict between the recommended place of use and the place of use described in the warranty deed.

The recommended place of use includes the following
TNS 07S; RNG 16E; SEC 14; SE $\frac{1}{4}$ SW $\frac{1}{4}$ B.M. for 2 acres
TNS 07S; RNG 16E; SEC 23; NE $\frac{1}{4}$ NW $\frac{1}{4}$ B.M. for 4 acres

Neither quarter quarter was identified in the warranty deed submitted with the change of ownership. Before I can complete the change of ownership the status of these acres needs to be identified. I have enclosed a GIS layout showing the recommended place of use outlined in yellow with the acres in question outlined in blue.

Please contact me at this office so that this issue can be resolved.
