Dear Mr. Bingham:

Your account S000007 is now over 60 days past due. Since we have not received any response from you, and you have not paid the installment balance due, we are rejecting the above referenced Notices of Claim to a Water Right. This action is described in the Adjudication Rules and Regulations adopted March 11, 1988. Any water rights represented by the enclosed claims will be considered not claimed and will not meet the requirements for the court's order described in the Commencement Notice you received. The fees you have paid thus far are not refundable if you fail to re-file your claims as described below.

If you wish to re-file your claims, you may do so by paying the balance due on account S000007 at the time you re-submit the claims. The account will remain open with the interest continuing to accrue at 10% per annum on the fee balance. (Please note that the Department is presently doing the field verification of the claims in Basin 36 in preparation for filing the report to the court by January 2, 1991. If you do not re-file your claims within the next 30 days your claims may not be included in the report to the court.)

If you have any questions please feel free to contact me at my office.

Sincerely,

Allen Merritt, P.E.

FOR VALUE RECEIVED, CLAIRE S. BINGHAM, a widow,
hereinafter referred to as the "Grantor," hereby grants,
bargains, sells and conveys unto CONNECTICUT GENERAL LIFE
INSURANCE COMPANY, a Connecticut corporation, the Grantee, whose
relevant current address is c/o CIGNA Investments, Inc., S-305
Hartford, Connecticut 06152, the following described real
property of the Grantor located in the County of Lincoln, State
of Idaho, to wit:

Described on EXHIBIT "A" attached hereto and
made a part hereof (hereinafter referred to
as the "Subject Property").

TO HAVE AND TO HOLD, unto the said Grantee, its
successors and assigns forever. Said Grantor does hereby
covenant to and with the Grantee, that the Grantor is the owner
in fee simple of the Subject Property; that the Subject Property
is free from all encumbrances except as set forth on EXHIBIT "B"
attached hereto and made a part hereof and that Grantor will
warrant and defend the same from all lawful claims whatsoever.

This Deed is given in lieu of foreclosure of Grantee's
first mortgage lien in and to the Subject Property; provided,
however, that Grantee's mortgage lien in and to the Subject
Property shall not be deemed to have merged into this Deed, but
shall survive the execution, delivery and recording of this Deed.

against any third party liens, claims or interests, known or unknown, disclosed or undisclosed, liquidated or unliquidated of whatever kind or nature.

Grantor does hereby waive, surrender, convey and relinquish any equity and statutory rights of redemption she may now have or may hereafter acquire in and to the Subject Property.

Grantor does hereby acknowledge and agree that possession of the Subject Property is hereby surrendered and delivered to Grantee. Grantor acknowledges and agrees that she is not acting under any misapprehension as to the legal effect of this Deed nor any duress, undue influence, or misrepresentation of Grantee, its agents or attorneys or any other person. At this point in time there is no person, partnership or corporation other than the Grantor interested in said Subject Property directly or indirectly, in any manner whatsoever.

It is expressly covenanted and agreed that the Grantee by accepting delivery of and/or by recording this Deed does not assume any liability arising out of or in connection with the ownership or use of the Subject Property by the Grantor or her predecessors in interest.

The mortgage lien hereinbefore referred to is based upon that certain Mortgage given to the Grantee which was dated February 26, 1980 and recorded on February 26, 1980 in Lincoln County, Idaho as Instrument No. 138649. Grantee is further secured by a security agreement, financing statements and related
