SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11576

Dear Mr. Poxleitner,

The Idaho Department of Water Resources (IDWR) has received your Notice of Error containing the portions of the recommendation that you wish to be changed. On the Notice of Error, you stated that you want the priority date changed to 1881. The Original Claim was for a priority date of 6/30/1933. Because that is the original claimed priority date, that is the earliest date I can recommend. IDWR has changed the priority date on the recommendation to 6/30/1933.

If you would like to claim the 1881 priority date, an Amended Claim must be completed. I tried calling you to tell you, but I was unable to leave a voicemail for you. Attached is an Amended Claim that can be completed by you if you wish to do so. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #2, Date of Priority: Changed it from 6/30/1933 to 1881.
- #12, Remarks: Added that the priority date came from a Cash Sale entry for the property for the original hand dug well.

Below are further instructions required from you:

- **#14, Signature:** Sign and date the document.

Mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov. If you do not complete the Amended Claim, your recommendation will be the original claimed priority date.

Sincerely,

Christopher Holmes
Water Resource Agent
