RE: Ownership change of Palouse River Basin Adjudication (PRBA) Water Right Claim No. 87-11029

Dear Mr. & Mrs. Westlund:

The Department of Water Resources has received your Notice of Change in Water Right Ownership for the Palouse River Basin Adjudication (PRBA) Water Right Claim referenced above. We are unable to make the requested ownership change of this claim for the following reason:

We cannot accept a Uniform Residential Appraisal Report as a conveyance document. It needs to be a recorded document that shows the transfer of the property from Mr. & Mrs. Paul to you. A copy of the **signed and notarized Warranty Deed** with the legal description of the property works best for this purpose. If you do not have a copy of the recorded, signed and notarized Warranty Deed, you can obtain one from your local Records Office. In your case, that would be Document # 610013.

I will hold your change of ownership form for 30 days from today. If I get no response from you, the documents will be returned to you unprocessed. Please send the Warranty Deed back to me to the following address.....

Idaho Department of Water Resources  
7600 N Mineral Drive Suite 100  
Coeur D Alene ID 83815.

Or you can e-mail it to me to [Dawn.Lenon@idwr.idaho.gov](mailto:Dawn.Lenon@idwr.idaho.gov)

I'm sorry for any inconvenience this may have caused you. If you have any questions, please feel free to call me at 208-762-2800.

Thank you,

Dawn R. Lenon
