SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11625

Dear Mr. Elmore,

In regards to our phone conversation on 5/11/2021, enclosed is an Amended Notice of Claim to a Water Right for the claim filed by the previous property owner. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except the redactions and these highlighted sections:

- #2, Date of Priority: Changed it from 1/10/2019 to 2014.

Below are further instructions required from you:

- **#1, Claimants:** In pen, write you and your wife's name in the adjacent space, along with your mailing address and phone number.
- **#14, Signature:** You and/or your wife sign and date the document.

By amending the claim, you are more accurately reflecting when the use began occurring on the property. I also provided the Notice of Change in Water Right Ownership form. Highlighted are the sections that you must complete. If you do not complete the amended claim form and change in ownership form, the claim will be recommended as originally claimed.

Please mail the completed Amended Notice of Claim, ownership change form and conveyance document (recorded warranty deed) back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
