RE: Snake River Basin Adjudication (SRBA)
Notices of Claim #36-02156, #36-02735, #36-07648,
#37-02527, #37-07533 and Permit #37-02592
Assignment and Pledge of Water Rights, Licenses and Permits

Dear Claimant:

We have been advised by Land Title and Escrow, Inc., of the Assignment and Pledge of Water Rights, Licenses and Permits referenced above. Before we can modify our records to reflect this change, we need IDWR form 42-1409(7) completed and returned for water right claims #37-02527, #37-07533 and #37-02592A and 37-02592B. I have enclosed this form for your use. Also I believe, from the legal descriptions, you may have acquired 37-02531A and/or 37-02531B.

Additionally, SRBA Judge Hurlbutt issued an Amended Order March 22, 1995, requiring claimants such as yourself changing the ownership of property and associated water rights identified in a Director's Report to use Standard Form 3 (SF3) for change in ownership of the Court's records for the water rights in Basin 36. We have enclosed this form for your use for water right claims #36-02156, #36-02735B and #36-07648. Water right #36-02735 was split by an earlier transfer and I believe you acquired only #A36-02735B. Following the SF3 instructions will eliminate the need to submit the IDWR form for the Basin 36 water rights also.

Please contact us or the SRBA Court at 208/733-3011 if you have any questions.

Sincerely,

Donald V. Shaff
Manager, Adjudication Section

Loan No. 12135

**STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES**

**ASSIGNMENT AND PLEDGE OF WATER
RIGHTS, LICENSES AND PERMITS**

THIS AGREEMENT, made this 23rd day of March, 1995, **ROBERT S. SHILLINGTON and KELLEY J. SHILLINGTON**, husband and wife, and **JOHN T. LEZAMIZ and ANN E. LEZAMIZ**, husband and wife (hereinafter collectively referred to as "Mortgagor"), and **THE MUTUAL LIFE INSURANCE COMPANY OF NEW YORK**, a New York corporation, hereinafter referred to as "Mortgagee",

WITNESSETH, that as additional security for the payment of that certain Promissory Note in the amount of Six Hundred Twenty Thousand and 00/100 Dollars (\$620,000.00) of even date herewith, made by Mortgagor to the order of the Mortgagee, which said Note is secured by a Mortgage of even date therewith made by Mortgagor to Mortgagee covering the premises and appurtenances set forth in Exhibit "A" attached hereto and made a part hereof for all purposes (hereinafter referred to as the "mortgaged premises"), the said Mortgagor, for security purposes only, does hereby assign and transfer to Mortgagee, all right, title and interest pertaining to all water rights, licenses and permits to appropriate the public waters of the State of Idaho, used in connection with said premises, together with all renewals and substitutions, including but not limited to, State of Idaho Department of Water Resources License Nos. 36-2156, 37-2527, 36-2735, 37-2592, 36-7648 and 37-7533 37-02531A-RB

It is also agreed between Mortgagor and Mortgagee that said water rights, licenses and permits shall be appurtenant to the mortgaged property and used in connection with said property during the life of said loan and any extensions thereof.

Mortgagor covenants that Mortgagor will observe and perform all of the obligations imposed upon the Mortgagor under said instruments; it will not permit to be done anything to impair the validity thereof and the right to use said water rights, licenses and permits so that same will at all times be appurtenant to the mortgaged premises; it will not convey any further rights thereunder to any party other than the owner of the mortgaged premises; and to permit no act that will cause a cancellation or termination of said water rights, licenses and permits.

In the event of a failure of the Mortgagor to keep in full force and effect said water rights, licenses and permits and to perform all acts required thereunder, then such cancellation of said water rights, licenses and permits shall constitute an event of default under the Note and Mortgagee above described and, at the election of the Mortgagee, shall entitle Mortgagee to all remedies included in said Note and Mortgage.

It is agreed that the Mortgagee shall not be liable for the performance of any of the terms and conditions of said water rights, licenses or permits, but Mortgagee, at its option, and not at its obligation, is hereby granted the right to cure any default under said water rights, licenses or permits, at the cost of the Mortgagor, whereas said cost, including any attorney fees incurred, is thereupon to be immediately due and payable to the Mortgagee under the terms of the Mortgage.

In the event the Mortgagors are in default and the Mortgagee elects to foreclose its Mortgage, the said water rights, licenses and permits may be entered as a part of the mortgaged premises and sold with the Real Estate in such foreclosure action, and the said water rights, licenses and permits may be

MICROFILMED

DEC 5 1996

assigned to the purchaser under said foreclosure suit, together with the mortgaged premises, as a single unit with the property. And, at the option of the Mortgage, Mortgagee may pursue any other remedy authorized by law for the enforcement of the lien hereby created.

The Mortgagors hereby direct the issuing agency of said water rights, licenses and permits, its successors and assigns, to recognize the Mortgagee, its successors and assigns, as the owners of said water rights, licenses and permits at any foreclosure sale held under or pursuant to the terms of said Mortgage, and in the event of such foreclosure sale, said Mortgagor does hereby, for itself and its successors and assigns, hereby irrevocably appoint the Mortgagee its true and lawful agent and attorney in fact for it and in its name, place and stead to execute, sign, acknowledge and deliver such instruments of transfer as said agent shall deem fit and proper in its sole discretion to accomplish said transfer to the purchaser as such foreclosure sale held under or in pursuant to the remedies provided in said Mortgage, in the event of a default thereunder.

Robert S. Shillington
