RE: PRBA Claim 87-11783

Dear Claimant:

The Department of Water Resources has received your Notice of Error Reply for Palouse River Basin Adjudication (PRBA) Claim No. 87-11783. In your reply you stated your desire to revise the claimed priority date. In our subsequent phone conversation regarding that matter, you stated your intention to amend your claim. As discussed, I have prepared the amended claim form for you utilizing the information from the originally filed claim, along with the revised priority date requested. The primary change to the claim (priority date) has been highlighted, as well as section 14 which will require your signature.

Please review the enclosed amended claim to ensure your agreement with the change before signing and returning the completed form to our office at the address listed above. Feel free to contact me if you have any further questions regarding this matter and I will be happy to help. I can be reached by phone during business hours at 208-762-2815 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
