SUBJECT: Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right Number 87-10655

Dear Mr. Jacksha:

I'm writing in regard to our phone conversation of yesterday responding to our Notice of Error (NOE) relating to the recommendation of water right claim 87-10655. The claim was recommended with one home; however, it should have been recommended with two dwellings.

The addition of a second dwelling will require an amended claim; which I've included. To amend the claim, please change the number of homes under item 8 from one to two. Initial and date the change and re-sign the claim under item 15 – for organizations. I've also included a map. Please show on the map where the well is located and also circle the places of use. Upon receipt of this information, we'll review the claim recommendation and advise you of the outcome.

Please return the claim, and the NOE response form, to my attention at the address shown above. The information should be returned to us as soon as possible before June 25, 2021. My phone number and email address are listed below if you have any questions.

Sincerely,

Linda A. Werner
