Hi Linda,

Potlatch has prepared the attached maps to supplement the aerial maps submitted with the Notices of Claim to Water Rights Nos. 87-11785 through 87-11791, as requested in your January 29, 2021 letter.

I am working on amended Notices for 87-11789 and 87-11791 to correct the mistakes pointed out in your letter and will send them to you shortly. To clarify, all you need for me to do is change the application we already submitted, right? There is no amendment form?

If you need any additional information or if you want to discuss the above, please don't hesitate to get in touch.

Thanks,  
Charlie
