Doug,

RE: Late & Misc Claims Dir Rpt, Spring 2021:
95-08795, Tolbert

During the course of our routine review of the Director's Report, we noticed that the POD is described as Lot 5 (SWNE) but the POU in the same location is listed as just the nominal quarter-quarter SWNE.

I downloaded the latest POD & POU recommendation shapefiles and produced the attached map. It appears that the POU listed in the Director's Report as SWNE should be Lot 5 (SWNE).

BLM is not concerned with this claim and is just sharing information discovered during our routine review in case it is of interest or assistance to you.
