Dear Mr. Huettig:

Thank you for coming in to follow up on your property and the water right license 36-07700 originally filed in the adjudication by Robert F. Henry.

I enclose a form for your use to identify the license and request the change into your name. I also enclose copies of the license and the warranty deed for your convenience.

Please note the instructions on the back of the form especially the section on the former owner signing off. If you can't get that signature then you will have to have the title company provide evidence of ownership between Henry and May who transferred ownership to you in the warranty deed.

If you have questions about this procedure please call this office.

Sincerely yours,

RE:

Chg ownership.

NAME OF PARTY:

Herman Huetting

Property changed hands twice before Change of Ownership was submitted. Mr Huetting obtained Mr Henry's signature for change rather than a warranty deed trail. Mr Henry did not date signature & he signed the form on the wrong line but I compared his signature with the signature on the orig claim and they appear to be the same.

Frank,
apparently you were working on
this. The form isn't filled out to standards
but the req. elements are there.
