

FIELD EXAMINATION OF PRBA WATER RIGHT CLAIM

Claim Identification Number: **87-7022**, 87-11975 – See separate report for 87-11975 in claim file.

Exam Report Completed By: Linda Werner, WR Agent, Sr.

Date/Time of Exam: 5/18/21 at 10:30 AM

Report Date: 5/19/21

IDWR Field Staff: Linda Werner

Accompanied By: Steven & Ellen Potratz, Nick and Taylor Acord-Mauri Knotts Representatives

Examination Location: 2949 Clyde Rd, 2945 Clyde Rd, Woodland Heights Mobile Home Park, Moscow ID

Purpose of Visit: To determine the number and location of the dwellings served by the trailer park well.

Field Examination Notes:

Source: Ground Water

Point of Diversion: NW1/4SE1/4, Section 30, T39N, R05W

Nature of Use: Domestic use for a total of 26 mobile homes & 1 home within the Woodland Heights Mobile Home Park and two homes on two separate, adjoining parcels north of the court.

Photo 1

This is an aerial view of the original homestead before the mobile home park was built; date unknown-possibly 1950's, note TV antenna. The original home was built in 1917. The water source at that time was a hand dug well(s) - one of several on the property which have since been abandoned. These wells have been replaced by the well located on the Knott property, which is the old caretaker's home.

Photo 2

This well serves the trailer park and three homes, including the Potratz home. It's located in the NESW-30-T39N-05W on parcel number 39N05W304810.
