

FIELD EXAMINATION OF PRBA WATER RIGHT CLAIM

Claim Identification Number: **87-11975**, 87-7022 – See separate report for 87-7022 in claim file.

Exam Report Completed By: Linda Werner, WR Agent, Sr.

Date/Time of Exam: 5/18/21 at 10:30 AM

Report Date: 5/19/21

IDWR Field Staff: Linda Werner

Accompanied By: Steven & Ellen Potratz, Nick and Taylor Acord-Mauri Knotts Representatives

Examination Location: 2949 Clyde Rd, 2945 Clyde Rd, Woodland Heights Mobile Home Park, Moscow ID

Purpose of Visit: To determine the number and location of the dwellings served by the trailer park well, 87-7022, and a private domestic well, 87-11975

Field Examination Notes:

Source: Ground Water

Point of Diversion: NW1/4SE1/4, Section 30, T39N, R05W

Nature of Use: Domestic use for ½ acre lawn irrigation and some in-house use.

Photo 1

This is an aerial view of the original homestead before the mobile home park was built; date unknown-possibly 1950's, note TV antenna. The original home was built in 1917. The water source at that time was a hand dug well(s) - one of several on the property which have since been abandoned.

Photo 2

Well in NWSE-Section 30, T39N R05W on Potratz property, located just west of the home.

Photo 3

This well serves the trailer park and three homes, including the Potratz home. It's located in the NESW-30-T39N-05W on parcel number 39N05W304810.

Photo 4

Looking east toward the home and lawn irrigation served by the original well in NWSE-30-T39N-05W
