Change of Address

records modified 12-27-01

Dear Water Right Holder:

IDWR has been notified the address presently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right can be sent only to the address on your water right or as otherwise changed by you.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary and list any other water rights you may have before returning this letter by January 11, 2002. Thank you for your help.

If your mail delivery address changes in any form, please contact us in writing so we can update our records.

If there has been a change in ownership of the property connected with the water rights referenced above, please call this office toll-free at 1-800/451-4129 to obtain a form to make this required change to the water right record.

Sincerely,

Sally

RE: Dairy Diversion Volumes & Cons. Use

Scott Jensen said they were milking about 120 cows 5 years ago. They also had 150 "dry stock" at that time.

They milk twice a day and wash the cows manually before milking. The barn waste water is disposed of by carrying it to the fields - about 1000 to 1200 gallons/day.

They are in the process of building their dairy to 200 milk cows plus dry stock.
