SUBJECT: Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right Number 87-11975

Dear Mr. and Ms. Potratz:

The Idaho Department of Water Resources (IDWR) has completed its investigation of your water right claim, number 87-11975. To that end, I'm enclosing several items; they are:

The Notice of Error (NOE) package which includes the preliminary recommendation of your water right, along with several letters that were recently sent to most claimants in Basin 87. These letters are from Eric Wildman, the presiding judge in the PRBA, Gary Spackman, the Director of IDWR and Craig Saxton, the Adjudication Section Manager. They will explain the adjudication process, how to review your preliminary recommendation and what to expect in the coming months prior to the decree of your water right.

I'm also including a copy of the preliminary recommendation for right number 87-7022 - the mobile home park right. This right has been recommended as licensed, for the domestic usage of 29 dwellings; including the mobile homes, and 3 homes; the one inside the trailer park, the Knott's property and your parcel.

Be sure to contact me if you have any questions or concerns. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Senior Water Resource Agent
