The above claims are owned by Crestview Farms and Clayne Zollinger but being purchased by Perry Van Tassel.

In response to an inquiry from Perry Van Tassel on 9-10-2001, I discovered that no supplemental decree documents were received by the claimant from the SRBA court regarding the above claims because they had no valid address for Crestview Farms.

This date, Clayne Zollinger called and said that we could send the information on these claims to Perry Van Tassel. I explained that we needed a signed notice from him to change the address in our database because he was the owner of record. I told him that if he wanted to put Van Tassel's address on the form he could, and that I would send him the form.

This document is to make note that the contact address submitted in response to this inquiry, and the owner of record of the above claims, may not be one and the same. From sent to:
