RE: Ownership change of Palouse River Basin Adjudication (PRBA) Water Right Claim No. 87-11692

Dear Mr. & Mrs. Blaisdell:

The Department of Water Resources has received your Notice of Change in Water Right Ownership for the Palouse River Basin Adjudication (PRBA) Water Right Claim referenced above. We are unable to make the requested ownership change of this claim for the following reason:

We need a copy of the **Recorded signed and notarized Warranty Deed** that shows the transfer of the property from Mr. & Mrs. Lusby to you. If you do not have a copy of the recorded, signed and notarized Warranty Deed, you can obtain one from your local Records Office. In your case, that would be Document # 614632.

Also, there is no fee for Adjudication claims, so I have initiated a refund of \$25. You should receive that in the next 2 or 3 weeks.

I will hold your change of ownership form for 30 days from today. If I get no response from you, the documents will be returned to you unprocessed. Please send the Warranty Deed back to me to the following address.....

Or you can e-mail it to me to Dawn.Lenon@idwr.idaho.gov

I'm sorry for any inconvenience this may have caused you. If you have any questions, please feel free to call me at 208-762-2800.

Thank you,
