Re: CSRBA claim 95-11691

I received an e-mail from Suzy Cooley asking if we had heard back from David Seurnyck about amending his claim. To date, I have not heard back from him.

Timeline:

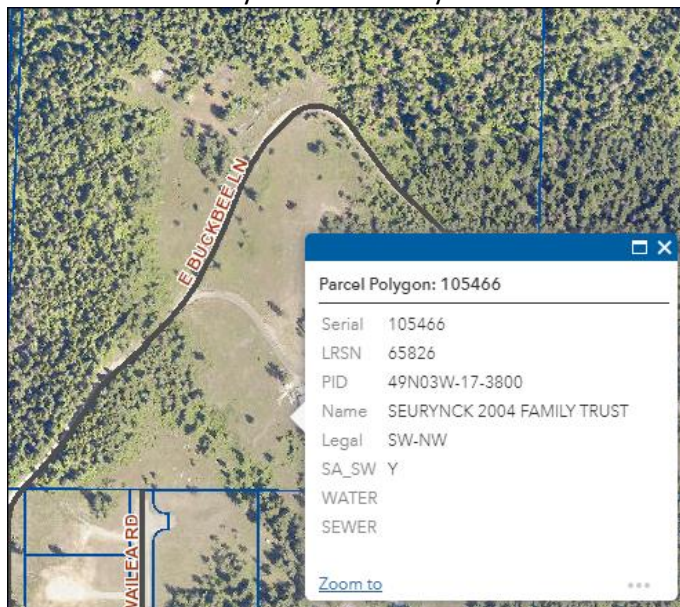

January 28, 2021: Diana Delaney contacts IDWR to let us know that in reviewing the uncontested problems there was an issue with the period of use (1/31 thru 12/31). The Court contacted the claimant and the claimant indicated that they would be contacting IDWR to file an Amended Claim. Diana was asking IDWR if we had heard from the claimant. IDWR had not.

February 1, 2021: IDWR sent claimant a letter and amended claim with a February 15, 2021, deadline to respond. No response received

May 5, 2021: IDWR sent claimant a letter and amended claim with a May 20, 2021, deadline to respond. No response received.

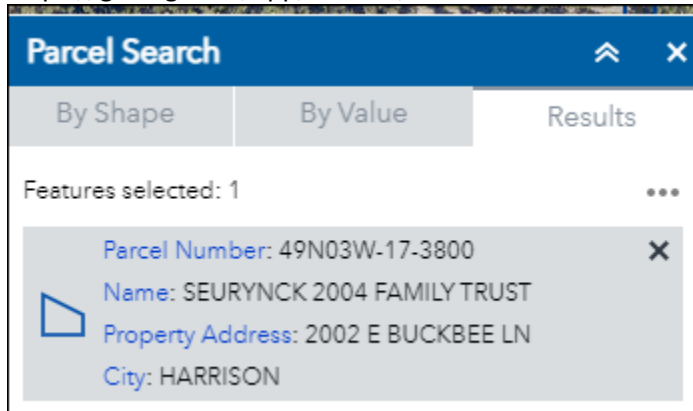

June 2, 2021: Craig Saxton called (208) 691-8399 and left a message asking them to contact me about amending the claim to correct the period of use from 1/31 – 12/31 to 1/1 – 12/31.

In addition, I looked up the parcel in the Kootenai County parcel viewer website found that the parcel is in the name of Seurnyck 2004 Family Trust:

And that the mailing address on the claim matches the property address according to the county:
