Re: Water Right No. 87-10045

Dear Department of Water:

Responding to your adjudication recommendation, the aerial photo is not of my farm which is located more than a mile from highway 95 (which may be in the aerial). I am attaching a CRP aerial hoping that it will help you identify my farm. The water source is within the area marked "barn" or "non-cropland." The water is to be used in the barn and also for livestock and irrigation usage in the fields marked CRP fields 3, 4, 5 10, and 49.

Please let me know if additional information is needed.

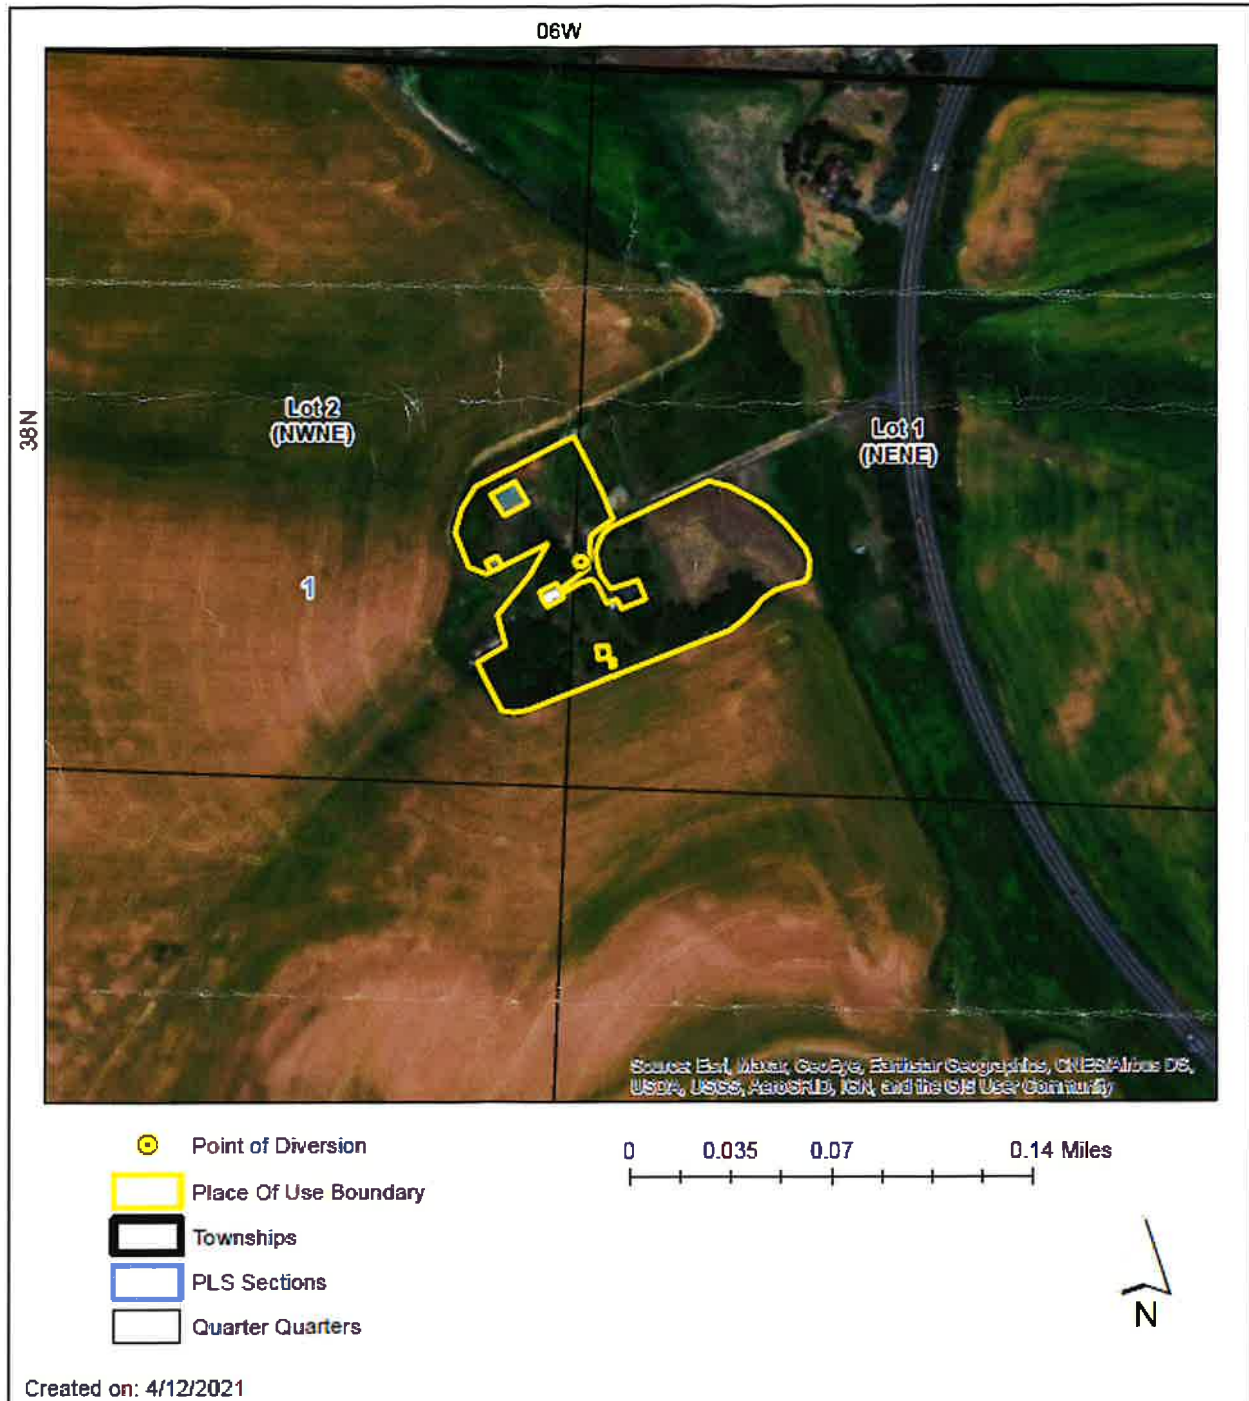

Very Truly Yours,

Frank L. Hill
