RE: CORRESPONDENCE SENT 1/5/98, RECEIVED 1/6/98

Dear Mr Moon:

I am writing in response to your recent letter in order to acknowledge the address change and to clarify the situation with regard to your Partial Decree for 36-07892 and your property sale to Hunt.

I have corrected your address in our records. Please note, however, that the Partial Decree won't be reissued by the court as a result of this change. The enclosed profile report documents the change and will carry forward.

Water right license 36-07892 was developed for diversion of water from two WELLS on your property for use in your home and surrounding landscaping. IDWR recommended it this way in 1992. We received an ownership change from you and Hunt in 1992 (copy enclosed) on which you specify that the wells were still under your control. We responded to you (copy enclosed) and explained that the diversions from MID are not included on the license and don't affect this right. Hunt's diversion from MID is a matter between himself and MID, as is your MID diversion.

I hope that this has allayed your concerns about the property split and the Partial Decree you received from the court. Please give me a call if there other questions. Thank you for your interest in the matter.

Sincerely,

Douglas Jones, P.E.

Re: Snake River Basin Adjudication (SRBA)
Notice of Error Response
Recommended Right No. 36-07892

Dear Mr. Moon,

You recently filed a Notice of Error with IDWR concerning the water right referenced above. No change to our recommendation has been made at this time.

You have indicated that a change of ownership of this land has occurred. Please complete and return the enclosed Change of Ownership form; this will allow us to correct our records. We will need enough information to determine how the water right should be split; a legal description of each parcel would be helpful.

Please contact this office if you have other questions or concerns.

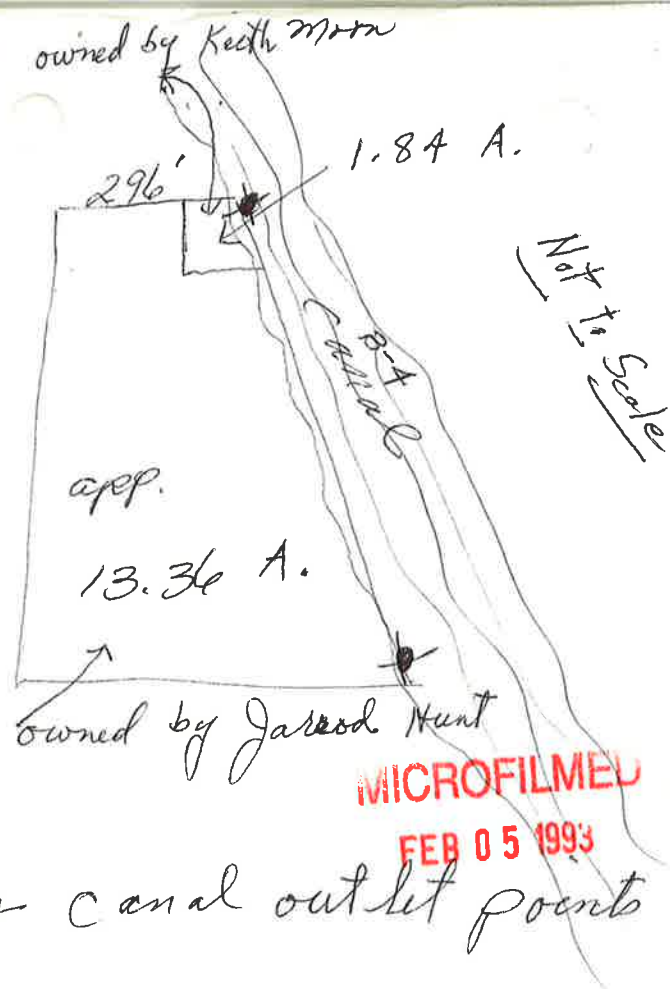

Sincerely,

Roxanne McCarthy

RE: RESPONSE TO CHANGE OF OWNERSHIP FOR CLAIM 36-07892.

Dear Mr Moon

Claim 36-07892 is for irrigation of 1.4 acres and domestic use for one home from two wells. Based upon our telephone conversation this date I am not splitting this claim. It stays with Keith Moon.

The sketch attached to the Change of Ownership form indicates that the water use involved in the split is actually Minidoka Irrigation District (MID) water from the canal. This split is an internal matter for MID's record keeping only. IDWR administers the water to the Irrigation District and the distribution of that water within their boundary is their responsibility. You need to contact them to update their records.

If you have any further questions please contact this office and someone here can assist you.

Sincerely
