SUBJECT: Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right Number 87-7022

Dear Mr. Lester:

The Idaho Department of Water Resources (IDWR) has completed its investigation of the Woodland Heights Mobile Home Park water right claim listed above. To that end, I'm enclosing several items; they are:

The Notice of Error (NOE) package which includes the preliminary recommendation of your water right, along with several letters that were recently sent to most claimants in Basin 87. These letters are from Eric Wildman, the presiding judge in the PRBA, Gary Spackman, the Director of IDWR and Craig Saxton, the Adjudication Section Manager. They will explain the adjudication process, how to review your preliminary recommendation and what to expect in the coming months prior to the decree of your water right.

Be sure to contact me if you have any questions or concerns. I can be reached at (208) 762-2802 or by email at [linda.werner@idwr.idaho.gov](mailto:linda.werner@idwr.idaho.gov).

Sincerely,

Linda A. Werner
