Dear Department of Water Resources

I am responding to Amended Water Rights letter, Ident. Number 87-10398, Receipt Number T106904. I would like to update the date of priority for our water rights. I was not aware when I filled out the initial paperwork that since I inherited the land in question through my family from my Great Grand Father John Horrocks that I could use his purchase date versus my inheritance date. Would like to change Date of Priority to 1909.

If you have any questions please feel free to contact me at 253-459-5551.

Sincerely,

Kevin G. Harvill
