Linda Werner:

Hi Linda;

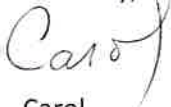

I am sending you a check for \$25.00 for the permit for the pond. I am enclosing a map and have marked where the pond is located. Also enclosing a copy of the tax bill for the land it set on. Shaun said I needed the following information for you when I was in there are filed everything on May 7th. The ponds size is approximately 190 ft length 180 ft width maximum depth 22 feet average depth 14 feet dam height 25 feet and it has a clay liner.

Also after I left you office to continue with Shaun this application for permit was not finished and he stated to finish and could mail back with the following check for well permits. So enclosed also is a check for what he said would be due for the two wells \$165.00 for the 200 gal well and \$125.00 for the 50 gal well to go along with the enclosed application for permit.

I have done what I know to do to complete both of these. Hope you can take them from here. It was very nice to meet you and I really do appreciate all your help and for working with me and taking all the time to get everything completed. If you have any other questions or I have done something wrong please call me. Best at work 509 334 2591 I am usually there from 7:00 until 5:00 except soon when haying season starts I do all the swathing on about 2000 acres of hay so I am in at work very early and then leave about 9:30 AM to go home and get on the swather. Just in case you need to call me. Shaun did not give my any form to fill out for the pond he said I had to have the information I gave you above for filling out the form.

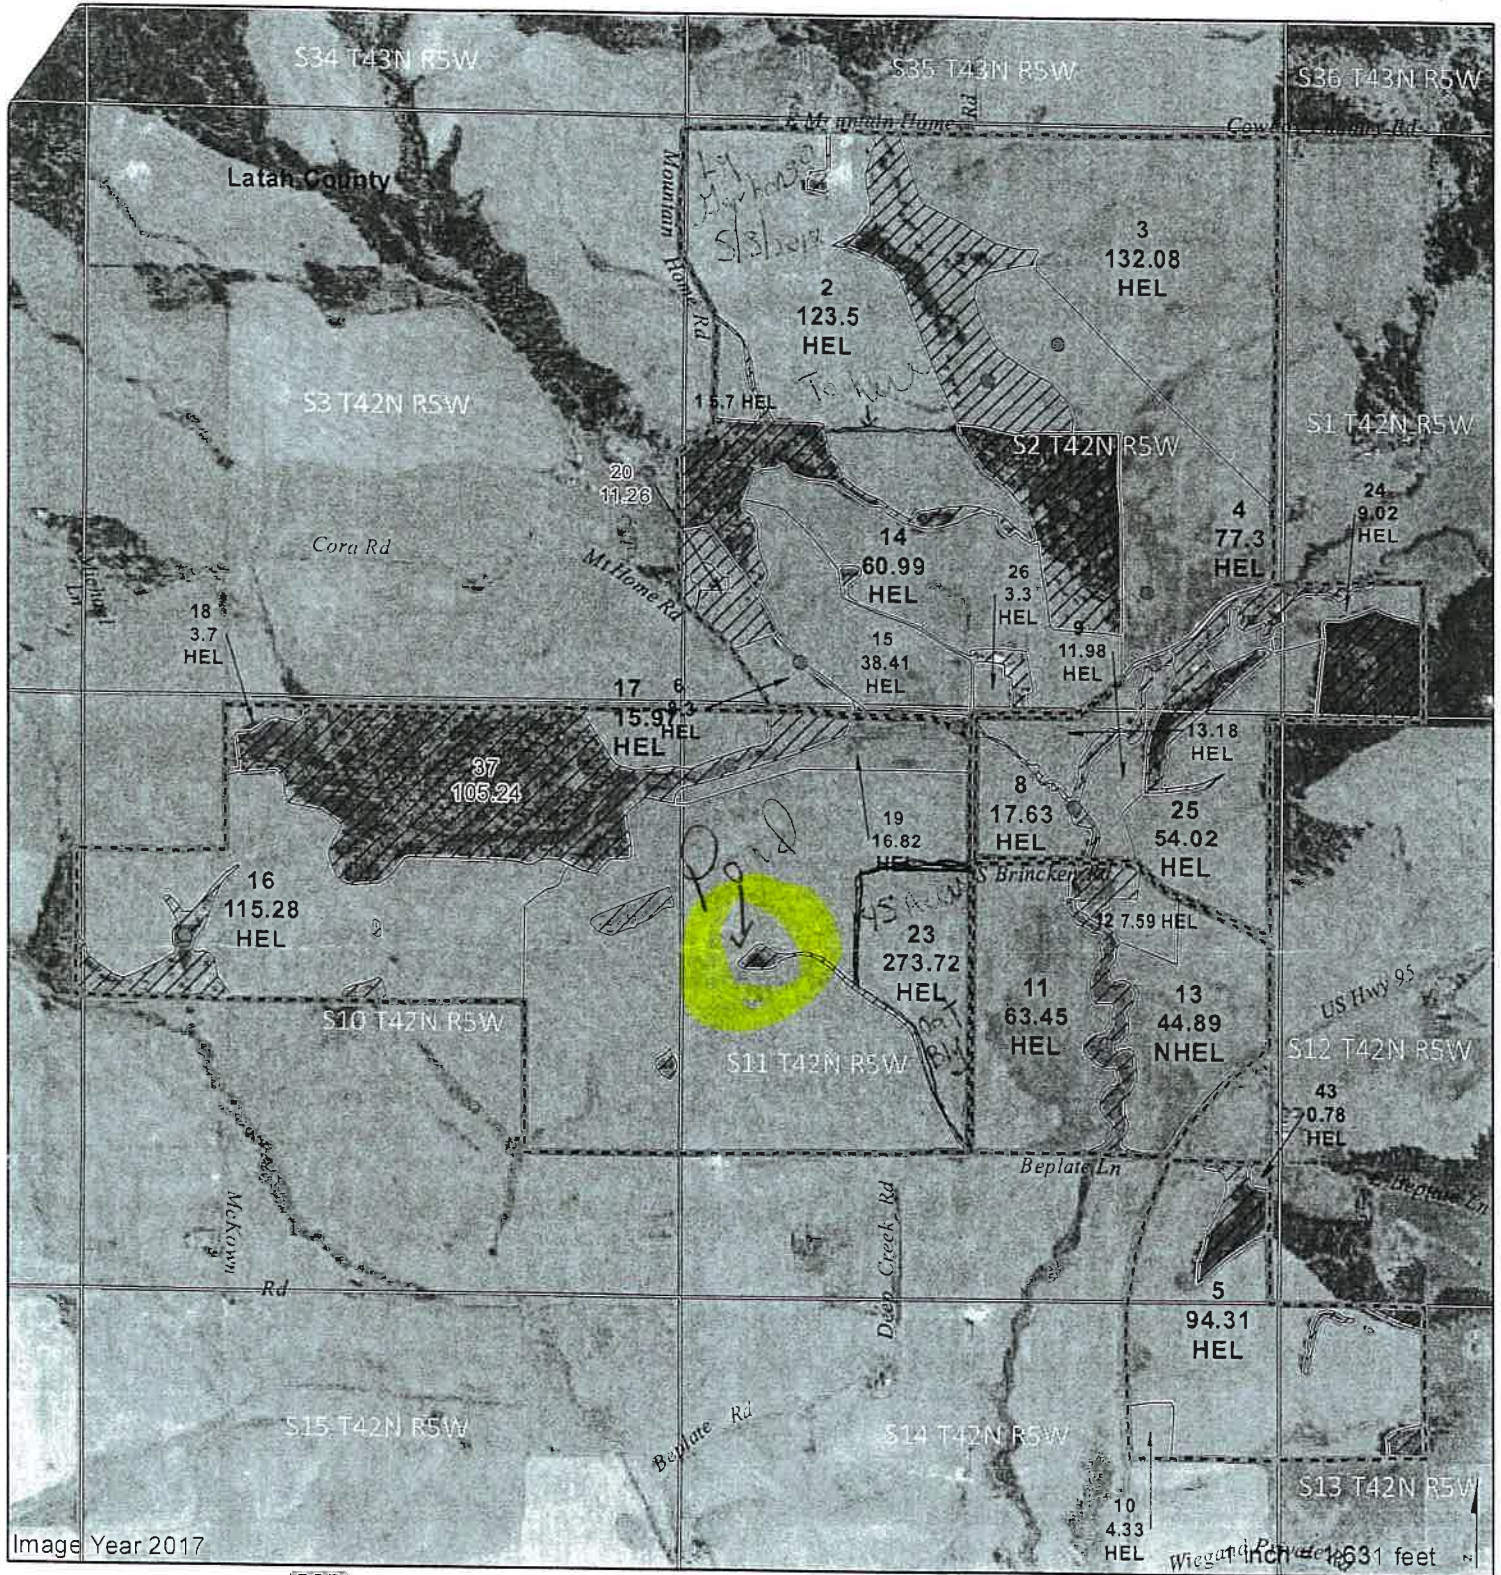

Thank you again Linda.

Sincerely,

Carol
