1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Purpose and Period of Use: This should include both domestic and stock water. It currently only appears to include stock water.

2. Describe the changes you wish to make in the proposed recommendation:

I desire that the purpose of use include both domestic and stock water use.

3. Give a brief explanation as to why you disagree with these portions:

The historic use has been for both domestic and stock purposes.

☐ I AGREE with this proposed recommendation: no changes need to be made.
