FROM: WORSTELL
TO: DON SCHAFF
SUBJ: RECEIPT CORRECTIONS

A \$26.00 refundis requested for the L-M dairy of Jerome Idaho, for the claims paid for under Receipt No. S006538. These claims were taken on Feb. 21 when our computer was down and I was unable to check for existing permits and licenses on the wells involved. I took the claims on the hand written forms that were submitted by the claimant. I calculated the total fees for four claims as \$412.00, and issued a hand written receipt (#45844) for that amount so the claimant's check could be promptly deposited.

When I was able to check the files for Licenses and Peremits that involved these claims, I found that there were 2 Licenses and 2 Permits that covered 3 of the wells. They also submitted a Domestic Claim for their home. This increased the number of claims from 4 to 5, but reduced the total fees from \$412.00 to \$386.00. The following table summarizes these fees:

Claim Number	Stage	Original Charge	Correct Fee.
A36-08224	P	\$165.00	\$69.00
A36-08060	L		70.00
A36-08222	P	64.00	64.00
A36-07253	L	158.00	158.00
A36-11098	J	25.00	25.00
TOTAL		<u>\$412.00</u>	<u>\$386.00</u>

In order to clear up the bank deposit records in our office, a receipt (#S006538) was issued to replace the temporary receipt (#45844). The proper fees were still being determined (depending on further office visits with the claimants) so receipt #S006538 was made for the \$412.00 received with only one number (WR/No: A36-08060) shown on the receipt. Please make the needed corrections on receipt number S006538. Thank you.

FROM: WORSTELL
TO: DON SCHAFF
SUBJ: RECEIPT CORRECTIONS

A \$26.00 refund is requested for the L-M dairy of Jerome Idaho, for the claims paid for under Receipt No. S006538. These claims were taken on Feb. 21 when our computer was down and I was unable to check for existing permits and licenses on the wells involved. I took the claims on the hand written forms that were submitted by the claimant. I calculated the total fees for four claims as \$412.00, and issued a hand written receipt (#45844) for that amount so the claimant's check could be promptly deposited.

When I was able to check the files for Licenses and Permits that involved these claims, I found that there were 2 Licenses and 2 Permits that covered 3 of the ^{claims} wells. They also submitted a Domestic Claim for their home. This increased the number of claims from 4 to 5, but reduced the total fees from \$412.00 to \$386.00. The following table summarizes these fees:

Claim Number	Stage	Original Charge	Correct Fee.
A36-08224	P	\$165.00	\$69.00
A36-08060	L		70.00
A36-08222	P	64.00	64.00
A36-07253	L	158.00	158.00
A36-11098	J	25.00	25.00
TOTAL		<u>\$412.00</u>	<u>\$386.00</u>

In order to clear up the bank deposit records in our office, a receipt (#S006538) was issued to replace the temporary receipt (#45844). The proper fees were still being determined (depending on further office visits with the claimants) so receipt #S006538 was made for the \$412.00 received with only one number (WR/No: A36-08060) shown on the receipt. Please make the needed corrections on receipt number S006538. Thank you.

WATER RIGHT LICENSE

THIS IS TO CERTIFY that Ted Miller
of Jerome, Idaho has complied with the terms and conditions of Permit
No. 36-8060 (Permit Application for Permit State) February 9, 1982
and has submitted proof to the Department of Water Resources on June 28, 1982
that he has applied water to a beneficial use. An examination by the Department indicates that the works have a
capacity for the diversion of 0.53 cfs of water from a groundwater source
thereby to the and that the permit holder has applied to a beneficial use and
established a right to use water as follows:

Beneficial Use	Period of Use	Rate of Diversion	Annual Volume
Commercial	from January 1 to December 31	at 0.20 c.s. and	18.5 acre feet
	from _____ to _____	at _____ c.s. and	_____
	from _____ to _____	at _____ c.s. and	_____

(with dates in figures)

Subject, however, to the condition that no more than 0.20 cfs of water be directed off any one tract, and that the amount of water so directed and to which such right is entitled and reserved is for the purposes aforementioned and is limited to the amount which can actually be beneficially used and shall not exceed 10.5 acre feet per year, and waters to be directed within the MEYER Section 33, Township 8S, Range 16E in the County of Jerome

Description and location of place of use

[illegible]

Indication of a new model?

Commercial use is for a dairy.

S011: Modifications to existing and proposed New Zealand Standards 11:00 am – 12:00 pm

(note: in the applicable Idaho law, "tax" may mean both "tax" and "taxes")

The right to the use of the water hereby confirmed is subject to the provisions herein described, and is subject to all public water rights existing or hereafter created.
