1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

a. Quantity

b. Explanatory Material: Basis of claim - Beneficial Use

c. Other: The Recommendation Area should include "Claim Adjudication Area"

2. Describe the changes you wish to make in the proposed recommendation:

a. Quantity should be amended upward. Beneficial use should be based on a larger number of stock

b. Beneficial Use should be expanded to support up to 75 cattle/horse, the actual number of stock having used this stockwater

c. Recommendation Area should include "Claim Adjudication Area"

3. Give a brief explanation as to why you disagree with these portions:

a. The Quantity indicated should be adjusted upward to reflect provisions for the actual number of stock

b. The Beneficial Use should be expanded to support 75 cattle/horse - the actual number of cattle/horse that have used the stockwater

c. The "Claim Adjudication area has been used by my family to support

I AGREE with this proposed recommendation: no changes need to be made.

up to 75 cattle and horses since before 1900. The land has been owned, without interruption by my family since before 1900 and to present day, beginning with John and Mary Weber, then their children, then with their grandchildren and then with their great grandchildren. During this time, my family watered up to 75 cows and horses on this land.
