RE: ownership change

We had changed the ownership on one right (36-00033G) but had missed this one. They brought in deeds and filled out an O/C form and a change of address since they now reside in Hagerman. I updated our records and made copies for them to take to the SRBA court with their SF3.

This form must be used to provide notice of change in address or to substitute a party whose
water right recommendation is in a director's report which has been filed with the court. The
filing of Standard Form 3 cannot result in a contested matter. A hearing will not be scheduled.

This form has been adopted by the court in *SRBA Administrative Order 1* (amended June
21, 1993), Section 4A, which may be consulted for further information.

Standard Form 3 shall not operate to excuse compliance with the statutory requirements of I.C. § 42-1409(7) where a water right recommendation is not before the court.

As used in this form, the term "prior claimant/seller" means any person who, pursuant to I.C. § 42-1409(2), (3) and (6), filed a notice of claim asserting the right to the use of water or on whose behalf the right to the use of water was asserted. "New claimant/purchaser" means any successor in interest of a "prior claimant/seller," whether the interest is acquired by purchase, gift, inheritance or other means.

A *Consent to Substitution of Party (Substitution)* must be signed by the prior claimant/seller and the new claimant/purchaser. The *Substitution* shall be filed by the new claimant/purchaser.

Check either the *Change in Address* or *Consent to Substitution of Party* box and fill in the requested information. A party may copy or reproduce the standard form. The text of the form must be on the front and back of each page, exactly as it appears here.

Claim No. 36-08158

This form is to be used to document public record information requests regarding any SRBA claim or claims. The form may also be used to document IDWR communications requesting information regarding any SRBA claim or claims when the request is not made in writing or the claim verification report is not readily available to document the request. This form is to be filed in all relevant claim files or a central office file.

IDWR Employee/Agent Jeanie Robertson Date 12/30/94Contact Person(s) Genevieve StringerNature of Contact phone call

Substance of Communication she said she'd received a letter from the S.O. and was confused. Turns out she and her late husband sold property a year or so ago. We got an O/C form for one of them (36-000336) and the change was done, but 36-08158 is for the same property and should also have been changed. I sent her another form and she will probably stop by next week with the deed, etc. I also sent her a Standard Form 3 (since it's in Basin 36) and told her if she had any questions on it, she could probably stop by the court house next week also as it's only several blocks away...

Notice of Claim No. 36-08158
Ownership Change

Dear Mrs. Stringer:

Thank you for notifying us that you no longer own the property associated with Notice of Claim to Water Right 36-08158.

We were notified in 1993 of the ownership change of water right 36-00033G only to Mr. and Mrs. Tzanakakis for 9.5 acres that is the pasture, but receiving your note is the first indication we have that you no longer own the house and well. Our records show you as owner of water right 36-08158 for domestic use (possibly the house associated with the 9.5 acres?).

SRBA Judge Hurlbutt issued an Order June 17, 1993 requiring claimants like yourself identified in a Director's Report to use Standard Form 3 for change of ownership. Enclosed is Standard Form 3 for your use.

Please contact our Twin Falls office at 736-3033 if you have any questions.

Sincerely,

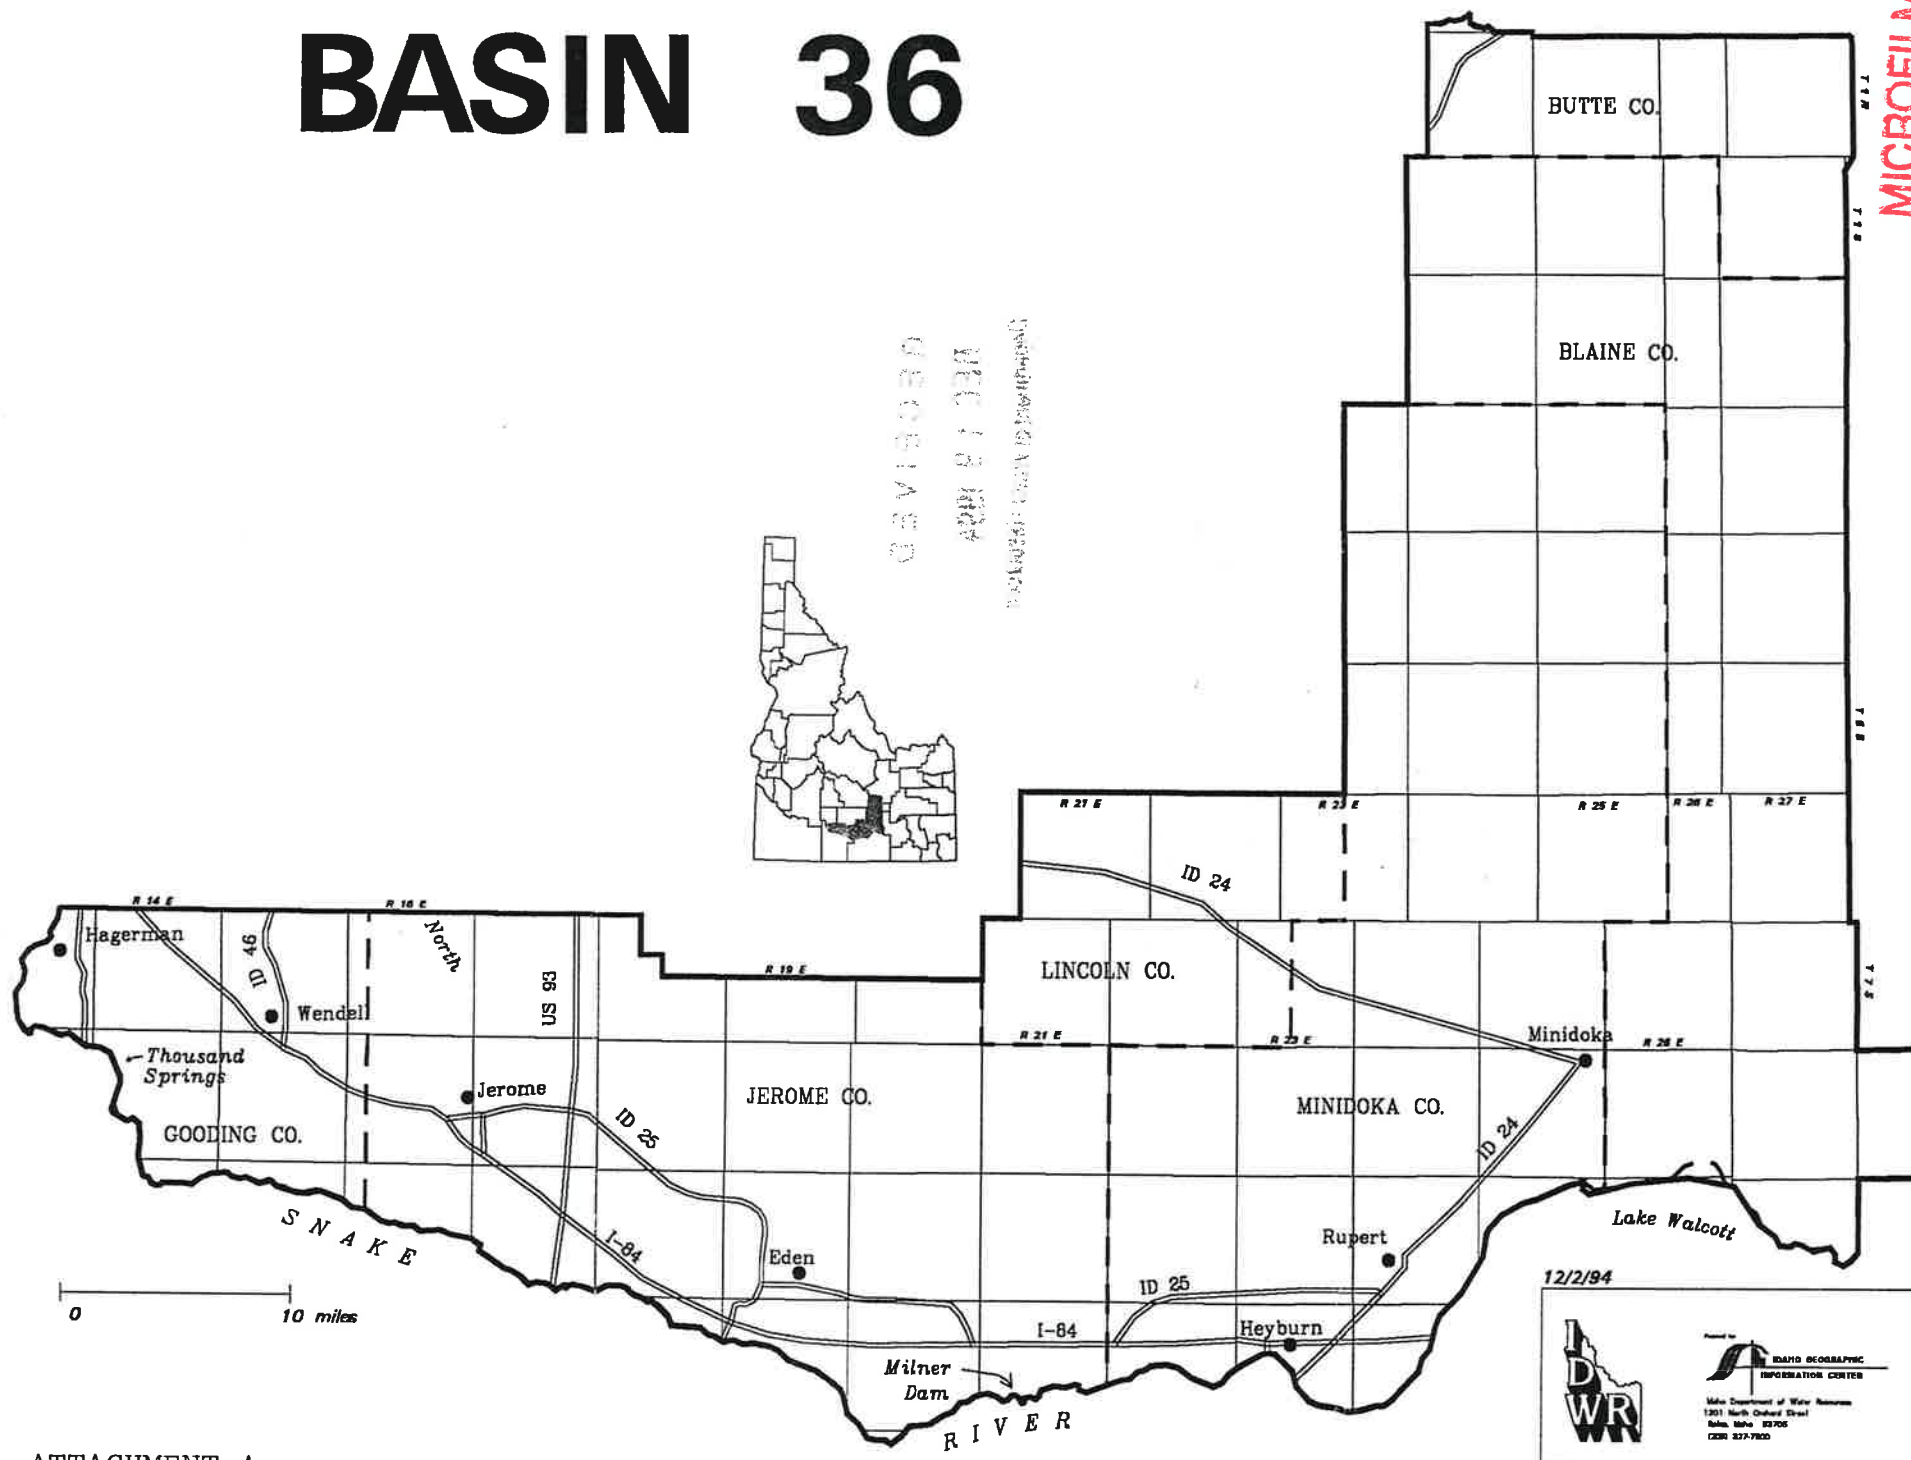

Adjudication Bureau Staff
