SUBJ: RECEIPT CORRECTIONS

Department of Water Resources

A \$26.00 refund is requested for the L-M dairy of Jerome Idaho, for the claims paid for under Receipt No. S006538. These claims were taken on Feb. 21 when our computer was down and I was unable to check for existing permits and licenses on the wells involved. I took the claims on the hand written forms that were submitted by the claimant. I calculated the total fees for four claims as \$412.00, and issued a hand written receipt (#45844) for that amount so the claimant's check could be promptly deposited.

When I was able to check the files for Licenses and Permits that involved these claims, I found that there were 2 Licenses and 2 Permits that covered 3 of the wells. They also submitted a Domestic Claim for their home. This increased the number of claims from 4 to 5, but reduced the total fees from \$412.00 to \$386.00. The following table summarizes these fees:

Claim Number	Stage	Original Charge	Correct Fee.
A36-08224✓	P	\$165.00	\$69.00✓
A36-08060✓	L		70.00✓
A36-08222✓	P	64.00	64.00✓
A36-07253✓	L	158.00	158.00✓
A36-11098✓	J	25.00	25.00✓
TOTAL		\$412.00	\$386.00✓

In order to clear up the bank deposit records in our office, a receipt (#S006538) was issued to replace the temporary receipt (#45844). The proper fees were still being determined (depending on further office visits with the claimants) so receipt #S006538 was made for the \$412.00 received with only one number (WR/No: A36-08060) shown on the receipt. Please make the needed corrections on receipt number S006538. Thank you.
