1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

This property is in Nez Perce County along Cow Creek. The Cow Creek Road breaks the property into 2 sections. I can not give documentary proof of a home there. I do not challenge the Beneficial claim. However, looking at map, it is clear that there is a spring here. It just sits there. I would appreciate stock water approval of 0.01 CFS from 1/1 to 12/31. There is a hose connected to the spring in which live stock have been watered.

3. Give a brief explanation as to why you disagree with these portions:

I AGREE with this proposed recommendation: no changes need to be made.
