Re: Scott Clyde Notice of Claim

Dear Evan Roda;

Enclosed please find the signed Notices of Error for IDWR Claim # 87-11887 and 87-11888 signed by Scott Clyde with no changes to either claim.

Also; enclosed is a new claim request for a separate use on the property serviced by the well referenced in 87-11888. As per your recommendation, this new claim is being made since there is a second building that was originally using the water from the water supplied by the well in claim #87-11888 decades earlier.

There is a map detailing out the location of the buildings on the property using the water with reference to the IDWR claim # assigned. Please note that Claim 87-11887 has a separate well to supply water than the well referenced in claim 87-1188 and this new claim.

Thank you very much for talking with us to ensure that we approached this separate use correctly.

Please feel free to contact me with any questions or concerns.

Respectfully,

Melissa Renfrow
