SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11187

Dear claimants,

The Idaho Department of Water Resources (IDWR) has received your Notice of Error containing the portions of the recommendation that you wish to be changed. On the Notice of Error, you stated that you want the priority date changed. The original claim was for a priority date of 10/30/1985. Because that is the original claimed priority date, that is the earliest date IDWR can recommend. IDWR cannot recommend a priority date older than the claimed date. If you want to change the priority date, an Amended Claim is enclosed.

Everything on the Amended Claim is the same as the original claim. To amend the claim, cross out the incorrect information, replace it with the correct information, and initial next to it. If this claim is for two wells, please acknowledge that under #5, Description of Diverting Works. If the claim is for one well, nothing further is needed. Then, Gregory Latta and/or Leah Latta sign and date the document. I enclosed a copy of the original claim for reference.

Mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov. If you do not complete the Amended Claim, your recommendation will be the original claimed priority date.

Sincerely,

A handwritten signature in blue ink that reads "Christopher Holmes". The signature is written in a cursive, flowing style.
