SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-10642

Dear Mr. Johnson,

The Idaho Department of Water Resources (IDWR) has received your Notice of Error containing the portions of the recommendation that you wish to be changed. On the Notice of Error, you stated that you want the quantity changed to .04 C.F.S. The Original Claim was for a quantity of .01 C.F.S. Because that is the original claimed, that is the quantity IDWR can recommend. IDWR cannot recommend a quantity greater than the claimed quantity. If you want to change the quantity, an Amended Claim is enclosed. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #6, Quantity: Changed it from .01 C.F.S. to .04 C.F.S.
- #7, Totally Quantity: Changed it from .01 C.F.S. to .04 C.F.S

Below are further instructions required from you:

- **#14, Signature:** Sign and date the document.

I enclosed a copy of the original claim for reference. Mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov. If you do not complete the Amended Claim, your recommendation will be the original claimed quantity.

Sincerely,

A handwritten signature in blue ink that reads "Christopher Holmes". The signature is written in a cursive, flowing style.

Christopher Holmes
Water Resource Agent
