To Whom it may concern-

My name is Earl Lanning. My family homesteaded the property known as 120 Moses Mountain Lane, Tensed ID 83870. We moved to this location in 1968.

When we moved to the property there was an existing pond to the east of our 80 acres towards the center of the property that was already there. We also developed a spring, just to the North West of the pond. We used the pond for livestock. The spring we used for our house water, irrigation of garden, orchard and livestock.

Sincerely,

A handwritten signature in cursive script that reads "Earl Lanning". The ink is dark and the signature is fluid, with the first and last names being clearly legible.
